Rosebuds

Reference Information

As we move into the summer months, most Kappa Delta chapters will begin preparing for recruitment (formerly Rush). As alumnae, we want to provide as many chapters as possible with recommendations for potential new members who would make great KAs on their respective campuses.

Although you may forward a reference on a potential new member directly to a chapter, **please note that your reference will carry more weight if it is submitted through your local alumnae association.** A chapter will give a reference more consideration if it knows that several Kappa Delta alumnae have considered a potential new member.

In light of Kappa Delta’s transition to a new recruitment system, an AA endorsement will be even more beneficial. Your reference will also be further considered if you have remained actively involved with Kappa Delta through your local alumnae association.

For additional information on submitting a recommendation on a potential new member or legacy of Kappa Delta, please contact our reference chair, Tricia Thweatt (615) 904-9281 recommendation@nashvillekdaa.com

Girl Scout Program

Girl Scout Event
Troop Number 1869
Items made were donated to the Vanderbilt Children’s Hospital

In March our alumnae association hosted a Girl Scout event with troop number 1869. This event focused on philanthropy as the girls made gift bags and get-well cards for patients at the Vanderbilt Children’s Hospital. Alumnae Association member and VU Children’s Hospital nurse Emily DeRousse spoke to the girls about the importance of supporting those in need.

At each event, the girls earned their Kappa Delta patches and were given the Kappa Delta Girl Scouts brochure. Items made were delivered to the VU Children’s Hospital in April.

KiDs Grant

We are proud to announce that the Nashville KΔ Alumnae Association has been selected as one of eleven recipients of a 2007 KiDs Grants. The Kappa Delta Foundation awards grants in the amount of \$2,500 to a select number of alumnae associations each year so that they may expand their community involvement and charitable endeavors.

Our 2007 KiDs Grant will be used to enhance our Girl Scout Uniquely Me! Self Esteem program. For additional information about this program or to find out how you can become involved, please visit our web site.
