

The Alumnae Link

"our chain is made of well-tried peerless links"

A Publication of the Nashville Kappa Delta Alumnae Association

It's that time of year again!

Check us out at the January AA event. Everyone had a great time at the Cheesecake Factory in Green Hills. Don't miss the AA events coming this fall!

As we move into the summer months, many Kappa Delta chapters will begin preparing for recruitment (formerly Rush). As alumnae, we want to provide as many chapters as possible with recommendations for potential new members who would make great KDs on their respective campuses.

Although you may forward a reference on a potential new member directly to a chapter, your reference will carry more weight if it is submitted through your local alumnae association. A chapter will give a reference more consideration if it knows that several Kappa Delta alumnae have considered a potential new member. For additional information on submitting a recommendation on a potential new member or legacy of Kappa Delta, please contact our reference chair.
