Way To Go Ladies!

The Nashville Kappa Delta Alumnae Association received a significant amount of recognition at the 2007 National Kappa Delta Convention in July. We were most proud to receive the **Alumnae Association Excellence Award** which recognizes the top echelon of alumnae associations in the nation. We also received, for the first time ever, the **Membership Building Award** which recognizes the AA that has been the most dedicated to increasing membership.

In addition to these two awards, we received the following **SIX** honorable mentions:

- *The Angelos* award
- Community Visibility/PR
- Girl Scouts
- Shamrock
- Programming Excellence
- Web Site www.nashvillekdaa.com

We celebrated our achievements at Cozymel's in Cool Springs during the officer's retreat.
