

# Kappa Delta: Eta Epsilon Wish List

## Resources Requested to Build a Greater and Better Kappa Delta

About Eta Epsilon: Eta Epsilon was established at the University of the South, Sewanee in 2003. We are the only NPC chapter on our campus, all other sororities are local and thus do not have to abide by NPC rules. Our University holds formal recruitment in the spring (January). There are nine sororities on campus and 13 fraternities. We are the 5<sup>th</sup> largest sorority on campus. As of this year, Eta Epsilon has 34 members.

Our Goal: This year, Eta Epsilon is 5 years old. We are relatively young and quite small, but we have big dreams! We want to make this our year of success! This year, we are focusing on three main goals: successful recruitment, improved alumnae relations, and a great sisterhood experiences. We're really excited about this year and we are working hard to achieve a greater and better Kappa Delta! We thank you so much for your support!

### Recruitment

- **Recruitment t-shirts:** We have two “pre-rush” events that take place during the fall semester. At these events, we set up tables around the student center lawn and we meet PNMs and showcase how great Kappa Delta is! (Every sorority has a table that represents their sorority) We would like to be able to buy t-shirts for these events. Not only would we wear the t-shirts during “pre-rush” events, but around campus as well! We would like to be able to buy two sets of t-shirts. \$900
- **House Improvement:** We use our house for many different events we hold during the fall. This year, we would like to invite PNMs to the house to watch popular television shows such as Grey’s Anatomy and Desperate Housewives. This is a great way for the PNMs and the active sisters to get to know one another! We also hold a “Christmas party” at our house for the PNMs (as part of our “pre rush” event). We want to make the house look inviting. The paint inside our house is white and makes everything look dingy. Our couches are also white

and look very dirty. Over our fall break we would like to re-paint the house and put in two new sofa chairs. \$600

Special Request:

In the past, the new member education program has not been as strong as it should be. Our VP-New Member Education would like to make this year's program stronger, and more inspirational. She wants to show our new members that being a part of Kappa Delta is more than just four years of college, it's for a lifetime. Because our campus situation is so unique, our VP-NME would like to make our program one of a kind.

- Bid Day T-shirts: Our bid day takes place in January-a very cold month! We want to buy long sleeved t-shirts, so our girls would not get so cold. Because our house is mall, we are not able to fit everyone inside. Everyone is usually outside on bid day and we also want to show our KD pride, and so we are outside too! Long sleeved t-shirts are more costly than short sleeved ones. We would really like to have long sleeved t-shirts to keep us warm! \$700
- White Rose Dinner: The dinner would take place the night before initiation. The new members, set leaders, council, and a few alumnae will be there. During the event, we want to show them what it means to be a sister in Kappa Delta. We want to share with them our stories and our experiences as KDs. Then, we want to review with them what they have learned in their journey to become an initiated sister and show them that once they are a Kappa Delta, they will always be a Kappa Delta. This event will be a wonderful bonding experiences for the new members as a pledge class and also as a chapter. This dinner would be the start to their lifetime experiences as an official Kappa Delta. \$1500.00

**If you would like to help with any of the items  
listed above, please contact the**

**Nashville Kappa Delta Alumnae Chapter  
through our web site.**
